

DO YOU SUFFER FROM THESE SYMPTOMS OF *MERGERITIS*?

## mer•ger•i•tis (*noun*)

Condition caused by law firm mergers. Characterized by feelings of disappointment and a sense that work isn't fun anymore.

**You may have *mergeritis* if you suffer from:**

- ✓ a rash of new conflicts that jeopardize your client relationships
- ✓ queasiness about an overnight 20% increase to your billing rate
- ✓ numbness from feeling like an employee rather than an entrepreneur
- ✓ a sense of detachment from new partners based in distant offices
- ✓ aching for a firm that's a better fit for you and your clients
